A LETTER FROM OUR LEADERSHIP

As members of the Board of Trustees of Catholic Community Services, it is an honor and privilege to share with you our 2020 Annual Report. This report showcases the life-changing work that Catholic Community Services of Utah has dedicated itself to this year in an effort to provide help and create hope in our community.

Like it was for most, 2020 was a year like no other. For the last 75 years, Catholic Community Services of Utah has constantly evolved to meet the needs of our fellow Utahns. The adaptation of CCS to meet the needs of the most vulnerable among us continued in 2020 as we adjusted our service efforts in lieu of COVID-19.

While many adjustments have been made, what has remained intact is our commitment to our mission of practicing gospel values of love, compassion and hope through service, support, and collaboration.

The issues we take on at CCS—homelessness, food insecurity, immigration, and displacement—can seem daunting. In the face of a global pandemic, the severity of these issues in our community have only been amplified over the last year. Despite the unique challenges of 2020, our community's great need has been met with even greater generosity thanks to the dedication and unmatched support of our community, staff, donors, and volunteers.

Looking ahead to 2021, we are eager to continue partnering with you, in established ways and new, to improve the quality of life for our neighbors and friends.

The Most Rev. Bishop Oscar A. Solis
CCS Board Chairperson

Father John Evans
CCS Board President

2020 IN REVIEW

For 75 years, Catholic Community Services has dedicated itself to providing help and creating hope in our communities. We do so through two overarching departments—Migration and Refugee Services and Basic Needs.

Both departments offer various areas of service to our community members. Let's take a look at the amazing work they accomplished in 2020.

MIGRATION AND REFUGEE SERVICES

Migration and Refugee Services encompasses three programs working to assist those settling into life in the United States reach self-sufficiency—Refugee Resettlement, Refugee Foster Care, and Immigration Services. Let's take a look at a few numbers from this year.

BASIC NEEDS SALT LAKE CITY

Basic Needs Salt Lake serves those impacted by food, housing, and income insecurity through three key programs—St. Vincent de Paul Dining Hall, The Weigand Homeless Resource Center, and coming soon, St. Vincent's Kitchen Academy. Let's take a look at their impact this year.

BASIC NEEDS NORTHERN UTAH

Basic Needs Northern Utah serves those impacted by food and income insecurity in the Ogden area through three main programs—Bridging the Gap, St. Martha's Baby Project, and The Joyce Hansen Hall Food Bank. Here is a brief look at the impact made in Northern Utah this year.
