A LETTER FROM OUR LEADERSHIP

It is with deep gratitude that we present the 2025 Annual Report for Catholic Community Services of Utah. This year has brought challenges and uncertainties, yet through faith, perseverance, and the unwavering support of our community, we have continued to serve those most in need, all while celebrating our 80 years of service.

As Pope Leo XIV said in his Mass at Castel Gandolfo, “To believe in him [God] and to be his disciples means allowing ourselves to be changed and to take on his same feelings. It means learning to have a heart that is moved, eyes that see and do not look away, hands that help others and soothe their wounds, shoulders that bear the burden of those in need.” These words remind us that our work is more than providing services—it is about meeting people with empathy, responding to suffering with action, and embracing the call to serve as a community.

A tangible reflection of this commitment is the completion of the renovation of the Bishop Weigand Resource Center. The upgraded facilities will allow us to provide enhanced mental health support, case management, and essential basic needs in a welcoming and dignified space. This transformation is a testament to what can be achieved when hearts and hands come together in the service of others.

The achievements highlighted in this report reflect the dedication of our staff, volunteers, donors, and community partners. Together, you have enabled us to continue addressing the pressing issues our neighbors face with unwavering care.

As you explore the pages ahead, we hope you see the real lives behind the statistics—stories of resilience, renewed hope, and transformation made possible because of your belief in our mission.

As you read these pages, we hope you see the lives touched, the burdens lightened, and the hope restored. Thank you for walking with us — for your prayers, your gifts, your time, and your faith in the work we do together.

CELEBRATING 80 YEARS OF SERVICE

In 2025, Catholic Community Services of Utah marked a remarkable milestone—80 years of service to individuals and families across our state. What began in 1945 as a small effort to respond to the needs of the community has grown into a mission that touches thousands of lives each year. Over eight decades, CCS has provided food, daytime shelter, welcomed refugees and immigrants, and supported families through compassion, dignity, and hope.

This anniversary, we pause to celebrate the people who make our mission possible—our clients, supporters, volunteers, and the employees who embody the spirit of service every day. Their faith and generosity have allowed CCS to stand as a beacon of hope for 80 years, and they will continue to carry this legacy forward as we embrace new challenges and opportunities to serve in the years ahead.
